

Summer Sounds by the Shore

Join us lakeside for an unforgettable afternoon with the Lake Country Jazz Collective—a full 16-piece band—featuring Lake Martha's own **Joyce Lyons**.

Bring your family and invite your friends. Come by boat or by land—this is the sound of summer on Lake Martha. No tickets—just great music and a great cause. The band is generously donating their time and talent, which means **every dollar raised goes directly to Lake Martha**.

Donations of any amount to the Lake Martha Improvement Association are appreciated and help protect the lake we all enjoy. Cash, check, or Venmo accepted. A tip jar for the band will also be set up for anyone who would like to thank and support them for donating their time and talent.
